In Chapter 3 discusses Rand's education at the Stoiunin Gymnasium, at a high school in the Crimea and at Leningrad State University where she majored in history. The Illustrated Rand.

And then, in February came Rick Santelli's televised rant. Sciabarra shows how Rand fits into this overall project, and how much can be learned about social change by studying her work, its evolution over time, and its potentially radical implications for the whole future of global politics. However, politicians continued to shun her economic and social libertarianism.

The first appendix is a reprint of an essay, "The Sciabarra New York University. Additional Information.
