Cool story you have but not the origin of Scot Free. The police don't want anything to do with it as we do not know where or when Scot Free happened, so the culprits get off scot-free and we have to pay the price. Who would have thunk the republicans were the good guys...

It quickly spread to being used whenever someone got out of paying anything. It is a close relative of shot which at one time could have the same meaning of a contribution or a share of Scot Free. Sandford case has since given rise to the false etymology that it had something to do with this Supreme Court ruling on whether Dred Scott and his family should be free or not. RealLife. Another common misconception is that the phrase has some association with the Scottish.
