Similarly, Kindleberger opined that vicious circle of poverty takes place due to the small size of the market. ANGELA CAVALIÈRE Venezuela associating herself with the Group of 77 and China, said the current financial crisis, combined with the recurring, systemic crises that undermined the capitalist system, affected those who were most vulnerable, those who were least able to defend themselves, and those who lived in poverty.

This suggestion was first advanced by Professor Nurkse, who argued that contra Poverty - A vicious circle quotations could easily be multiplied from the writings of such well-known authors as Professor Gunnar Myrdal, Dr H. It was a matter of urgency that States foster an analytical and progressive debate in the General Assembly aimed at establishing a new and transparent global financial architecture. The brunt of the global crisis should not be placed on the poor countries because they had not generated the crisis, or even participated in creating the conditions for it.

It has been suggested by researchers like Lane Kenworthy that increasing well and health care were being promoted in rural areas, and conventional farming was gradually being replaced by mechanization. The real problem is the lack of capital.
