## What's Happening to the Peace Corps? | News | The Harvard Crimson

I have been sworn in as a Peace Corps Volunteer for almost two months now. In that small amount of time, I have experienced and learned so.

As I teach my students English, I also hope to teach them lessons that transcend words. As I share my journey, I hope everyone can appreciate it for what it is and celebrates along with me. Sooner or later, the Peace Corps will be against the inescapable reality that manual labor is not its that it cannot succeed on the model of exchange work-camp like the American Friends Service Committee camps or on Crossroads-Africa.

OverviewOverview. The staff are extremely supportive and you meet and work with them. The 'jiejies' grandmothers still pinch my cheeks as I walk through the market. There is another aspect of "bringing the world back home" which would benefit the military, and that is for the members of the armed services to emulate it. Tell us your thoughts. Cancel reply. Your email address will not be published. A nongovernmental organization is also staffed by these enthusiastic and idealistic individuals who are determined to make a difference in the world. Jan 13,
