The storm winds howled incessantly. When its engines flamed out from ingesting water, the Jayhawk crashed into the sea. Profession: Author. Each week, our editors select the one author and one book. But the status of the inverted Tidings was tenuous at best, and they knew she could be heading for the bottom at any moment. If we'd been out there even another fifteen minutes, we would have died.

Choking, thrashing against the water, the man coughed heavily and spun in his. Privacy Notice has been updated to explain how we use cookies, which you accept by continuing to use this website.
