A fire captain had already recently resigned. Tod Perry. The London Fire Brigade and Kent's Fire and Rescue Services collaborated in using a drone to monitor the damage at London's Grenfell Tower last week in hopes to minimize casualties and gather data. LifestyleJamiePitlick. You have to have integrity to do this job. History proved him wrong about the prosperity part, but prescient about the critical role that everyday volunteers played in civilizing the Wild West, and in keeping it civilized today. Public invited to weigh in on controversial Ellsworth dam proposal.
