This blog, and all of our ministry efforts, are made possible through your support. OK, close. He might agree with Peter that he ought to be a good citizen, but claim that releasing the report and correcting the problem is exactly what a good citizen should. On the other hand, it is disappointing that they are so easily convinced that what they are doing is not really harmful to . This should provide lessons for those who are steadfast, appreciative. Get them before they are gone!
