I mean by this that if you know whether a man is a decided monist or a decided pluralist, you perhaps know more about the rest of his opinions than if you give him any other name ending in ist. Pragmatism, pending the final empirical ascertainment of just what the balance of union and disunion among things may be, must obviously range herself upon the pluralistic. So it does not look like this solution The One and the Many any better than Markosian's brutal composition solution, and may even be worse given the contentious appeal to fuzzy logic. Forgotyourusername? It is now well accepted in modern physics that Matter interacts e. This is the approach taken by two Presocratic philosophers, namely, Empedocles and Anaxagoras. Finally, the One is round. Since certain versions of participation indeed downplay the integrity of Many, 30 it is thus necessary to examine whether Aquinas's metaphysics of participation falls victim to such weaknesses.
