Development map of the proposed Golden Grove and Buccoo Estates. After descending the large staircase with gaps in it, you will enter a large room.

All floating debris is pushed toward the leeward side of the lake. And with the last of the Shores of Gold journals acquired you will have found every Shores of Gold journal. The significant thing about these results is that the wetland is not yet fully established.

Go to the highest peak of Plunder Valley, near the Festival of the Damned beach. To our delight we found a natural spring when we started clearing the 2.
