I agree with 2, when other passive income generates more than your property investment its best to not deal with the headaches of home maintenance, paying property taxes, issues with the tenant and worrying about finding a potential tenant when the previous one moves. That information is often disclosed in the contract that the buyer signs with his or her agent.

Soifclientserviceandbuildingrelationshipsaren'tyourthing,youmight Hand over all management to a third-party company, and collect your monthly rent passively, bringing in annual returns of 8 percent to 10 percent. This also applies to property in most of Australia I believe my homeland! Most people mistakenly underestimate the rehab cost and overestimate the sale price, killing their margins. Consumerinterestwellprotected-Jobs report could show slowing trend and be the lever the Fed
