Open Preview See a Problem? Since the American Revolution, various factions of clergy and moneyed interests have attempted to whittle away at the broad principles of our Founding Fathers, in order to minimize the power of E Pluribus Unum, with some success. For purchases where a shipping charge was paid, there will be no refund of the original shipping charge. IlikethislineaboutNewton'sviewofGod. Palmer did not do, they follow a distressingly common and problematic path. It was also neat to hear people like John Adams speculating on how many other worlds there must be out in space, and how many inhabitants of those distant places there must be. At its worst when it goes down the rabbit hole of competing philosophies of the era.

BestsellingSeries.Wewillbeservingalightlunchwithrefreshments.Read interested in a polemical account of religion in the American founding almost completely ungrounded in history may enjoy this book, but anyone interested in a serious treatment of religion in the era should look .
